The 13th International Conference
on Advanced Communication Technology 2011
February 13 – 16, 2011, Phoenix Park, Republic of Korea, http://www.icact.org

Speaker's Biography

Paper code	20110134
Title of Paper	Time-Stamping Accuracy in Virtualized Environments
Speaker's Name	Rafika Ida Mutia
Title	(~~Mr.~~ / Ms. / ~~Dr. / Prof.~~)
Organization	Lund University
Position in Organization	Project Assistant
E-mail	rafikaidamutia@gmail.com
Full Mailing Address	Kämpagränden 5A

City	Lund	State	Skåne
Country	Sweden	Postal Code	22476
Tel. No.	(+46)703965961	Fax. No.	-

Speaker's Biography (Please detail below special points of background experience)

On August 2008, Rafika Ida Mutia graduated from Electrical Electronics and Telecommunication Engineering in Universiti Tenaga Nasional, Malaysia. Then she continue doing Master Program in Wireless Communication Engineering on June 2010. She started to work as project assistant in Department of Electrical and Information Technology at Lund University, Sweden, since June 2010 until now. The project that she involved now is the analyses on security for Android mobile platform by using microkernel. She also involved in project assistantship on summer 2009 in Department of Electrical and Information Technology of Lund University with a project called Velocity and Position Tracking for Inertia Navigation System.

The paper that has been submitted to this conference is based on a master thesis project entitled "Time-stamping in Virtualized Environment" which is a collaborated project between Lund University and Ericsson Research AB, Stockholm. This project is also part of TRAMMS (Traffic Measurements and Models in Multi-Service Networks) which has won Celtic Gold Award 2009.
