

**The 13th International Conference
on Advanced Communication Technology 2011**
February 13 – 16, 2011, Phoenix Park, Republic of Korea, <http://www.icact.org>

Speaker's Biography

Paper code	20110198		
Title of Paper	Replication with State Using the Self-Organizing Map Neural Network		
Speaker's Name	Geofrey Cantara Soriano		
Title	(<u>Mr.</u> / Ms. / Dr. / Prof.)		
Organization	Waseda University		
Position in Organization	Master Student		
E-mail	geofreysoriano@suou.waseda.jp		
Full Mailing Address	1011 Nishi-Tomida, Honjo-shi, Saitama, Japan, 367-0035		
City	Honjo	State	Saitama
Country	Japan	Postal Code	367-0035
Tel. No.	+81-495-24-6420	Fax. No.	+81-495-24-6645
Speaker's Biography (Please detail below special points of background experience)			
Geofrey Cantara Soriano is an educator from a government high school in the Philippines. He's been a computer education mentor for 4 years in Iloilo National High School – Special Science Class Department. He contributed in the field of education by molding young great minds to meet the scientific and technological workforce of the country. Through the years, he provided his students awareness programs in technology in order for them to utilize and apply information communication technology in their daily living. Geofrey Soriano is a graduate from Western Institute of Technology where he majored in Computer Engineering. Eventually, he took units in education at West Visayas State University, Philippines and later then, earned his professional teacher license in 2005. Currently, Geofrey is pursuing his master's degree for Global Information and Telecommunication Studies at Waseda University, Japan.
