<b>Speaker's Biography (Please detail below special points of background experience)</b>			
<p>I was born in Seoul, Korea. After I received Bachelors degree in 2007 from Inha University, I joined Department of Engineering, Information and Communication University, where I finished Master Degree and I'm currently toward PH.D course. My interest area was Integrated RF CMOS Transceiver and RFIC Design, especially, RF front-end design. Now I'm interested in power management integrated circuit design, especially, DC-DC converter design. My design experience is as below.</p>
