Speaker's Biography (Please detail below special points of background experience)			
I am Ya-Ling, Wang, who is a master student in the Department of Computer Science and Information Engineering in National Chi Nan University (NCNU). I am now having a part time job in the Computer & Network Center of NCNU to solve technical problems and to develop an Automatic Event-Driven System to support the campus. My research topic is about network management, web server performance. I have ever attended Asia-Pacific Advanced Network conference and Internet Engineering Task Force meeting and got the IPv6 Sage level in Hurricane Electric.
