

The 14th International Conference on Advanced Communication Technology (ICACT2012)

Speaker's Biography

Paper code	20120246		
Title of Paper	A Study for Hop Count on the Ad-Hoc of Wireless Communication		
Speaker's Name	SangJin Lee		
Title	Mr.		
Organization	AddWIN Co.,Ltd.		
Position in Organization	Engineer		
E-mail	leesj@addwinit.com		
Full Mailing Address	5F, SamGyung Bldg. 1602-1, Seocho-dong, Seocho-gu		
City	Seoul	State	
Country	Korea	Postal Code	137953
Tel. No.	82-70-8233-3757	Fax. No.	82-2-523-5995
Speaker's Biography (Please detail below special points of background experience)			
<u>Now-2011: Experience & Interest Area</u> -Working as an Engineer at AddWIN Co., Ltd. and being in charge of network modeling and simulation. -Processing a project, "KVMF (Korea Variable Message Format) Exploratory Development project", hosted by Agency for Defense Development. -Being interested in overall network fields such as network model development and implementation of performance improvement algorithm and satellite communication using OPNET. <u>2011-2009: Education</u> -Completed the courses of the master's degree in Electronic Communication Engineering of KwangWoon University in Seoul. -Majored in field of WPAN (Wireless Personal Area Network) and WBAN (Wireless Body Area Network). <u>2011-2009: Papers</u> -Published papers below to paper journal of Korea. "A Proposal for Improving Techniques of GTS Utilization on Quality of Service based on IEEE 802.15.4" "A Study on Wireless Body Area Network System Design Based on Transmission Rate" <u>2011-2009: Project & Activity</u> -Analyzed ZigBee in 900MHz of KDN -Analyzed the curriculum of Medical Information System as an appointed researcher in Sahmyook college.
