

**The 14th International Conference
on Advanced Communication Technology
(ICACT2012)**

Speaker's Biography

Paper code	20120265		
Title of Paper	Performance Analysis of Broadcasting in Small-Scale Multi-Radio Multi-Channel Wireless Mesh Networks		
Speaker's Name	Avid Avokh		
Title	Mr.		
Organization	Department of Electrical Engineering, NajafAbad Branch, Islamic Azad University.		
Position in Organization	Faculty member		
E-mail	aavokh@stu.yazduni.ac.ir		
Full Mailing Address	Unit 1, No. 93, Golestan Dead End, Pour Moradi Allay, Jaber Ansari St.		
City	Isfahan	State	Isfahan
Country	Iran	Postal Code	8196834816
Tel. No.	+98 311 4449654	Fax. No.	+98 311 4449655
Speaker's Biography (Please detail below special points of background experience)			
<p>Avid Avokh was born in Iran in 1982. He received the B.S. degree in electrical engineering (Electronic) from Islamic Azad University Najafabad Branch in 2005 and the M.S. degree in electrical engineering (Communication Systems) from Yazd University in 2008. He is currently a Ph.D. student at the Faculty of Electrical and Computer Engineering of Yazd University and Instructor of Najafabad University. His research interests are mainly focused on Data Communication Networks, wireless mesh networks and wireless sensor networks, with particular reference to energy efficiency, fundamental aspects of routing, channel assignment, and Traffic Engineering.</p> <p>Please complete this form.</p>
